WELL,

I DON'T

BUT...

!!

IT WAS
WHEN
WE FIRST

I THOUGHT
SHE SEEMED

AND
YOU,
TERANO-

EH
HEH!

I THOUGHT TERANO-SENSEI SEEMED
MORE LIKE A STUDENT THAN A TEACHER.

READING DIRECTIONS

This book reads from **right to left**, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!

Our Teachers Are Bathing!

It's been a year since Hayama and Terano started dating (and bathing together)! They're more in love than ever before! Yet as their feelings bring them together, they become uneasy about being apart. Can they find a way to get even closer?
